OUR OFFICE: staff are available for information and questions every day within the following summer schedule: 9.00-12.00 + 16.00-19.00 from Sundays to Fridays. Saturday is arrival and departure day, and we are open all day from 8.00 to 19.30. This schedule might change according to the different seasons.

ARRIVALS: The agency ensures the apartments are cleaned and ready for check in from 16.00 o'clock. It may be possible to check in and have the keys early, upon previous request and only from 13.00 o'clock. You will be able to keep your luggage inside your locked apartment as long as they are kept out of the way of our cleaning staff.

DEPARTURES: All apartment must be vacated by 10.00 o'clock on the morning of departure. The keys must be returned to the agency between 8.00 and 10.00 am. The deposit will only be returned after our control check of the apartment, and you will always need your deposit receipt to get the money returned. If you are leaving outside of the office opening time, we ask that you inform us the day before. On these occasions the deposit will be sent to you via bank transfer with the deduction of any bank fees. We kindly ask you to leave the keys in our mailbox outside the Agenzia Lampo in Via Bafile 223.

CLEANING: On the day of departure, the apartment needs to be left clean and tidy with all rubbish removed. The kitchen and the dishes need to be washed, with the shelves cleaned, the fridge defrosted (please, do not use sharp objects to do so, just press the red button 'DEFROST' and leave the door of the fridge open). Before leaving, please switch off the electric meter and close the window blind and/or the balcony.

USING THE REFRIGERATOR: we recommend you to set the fridge's temperature maximum on level 3, in order to ensure its correct functioning (if the temperature gets too cold, the engine gets overworked and will not refrigerate internally). Thank you.

AIR CONDITIONERS: For your comfort, we suggest, to set a temperature of no lower than 4°/5°C. It is forbidden to use the A/C with the windows open. This is wasteful and could block the machine, which would make you responsible for any charges incurred. We kindly ask you to let us know any kind of breakdown or abnormal functioning of the machine. It will be repaired within 3 days.

POOLS OPENING TIMES: The swimming pools are reserved to the exclusive use of the apartment guests. If the weather allows, they will be opened from the beginning of June till mid-September. WE HIGHLY RECOMMEND YOU TO CHECK AND RESPECT THE OPENING TIMES THAT ARE DISPLAYED IN YOUR RESIDENCE/VILLAGE.

ROLLER SHUTTER: please use the roller shutter carefully, if it gets stuck please let us know as soon as possible.

ATTENTION: IF YOU LEAVE THE KEYS IN THE LOCK INSIDE THE APARTMENT, OUR INTERVENTION COSTS 25.00 €, IF IT IS NECESSARY TO CALL A CARPENTER, ITS INTERVENTION COSTS AROUND 50.00€.
