**Our staff is available** for all your needs during the following summer office hours:  
every day (the timetable may be modified during the year): from 09.00 a.m. to 12.30 a.m.  
from 04.00 p.m. to 07.00 p.m.

**Rules of departure:** The apartment must be left free within 10.00 a.m. on the day fixed for departure. Please be so kind at least the day before until 12.00 a.m. to inform us at what time are you going to leave the apartment. Our staff will check the cleaning and the condition of the apartment. In case of dirtiness or damages we will charge the cost for the cleaning and for the repairs. Please be also so kind to inform us if you will leave the flat before or after the office hours. In the case of deposit in cash you have to provide us the bank details in order to send you the money back. In alternative you can give us the credit card's information.

**Cleaning:** At the moment of departure the apartments must be left free of litter, bottles, any kind of boxes, etc. The saucers must be cleaned, the cupboard shelves cleared out and the refrigerator emptied and defrosted (It is strictly forbidden to scrape or remove ice with sharp tools; we recommend to use the "DEFROST" button – usually red – and to leave the fridge door open).

**Frames, electric devices and water heater/boiler :** Shut down the boiler during the use of other electrical devices. If power get down, follow these steps:

- Check and switch on the button that is in the apartment.
- If there is still a power failure, control the switch located outside (for villas is present in an outside box and in residences is located in a room on the ground floor near the lift, generally recognizable by "ENEL" written on the door).

At the moment of departure, please do not leave any electrical device on and close windows and shutters.

**Air conditioning:** We suggest, for your health, to set the temperature of the air-conditioner only 4-5 degrees lower than the outside temperature. Please do not use the air-conditioner with open windows, both for unnecessary waste and possible damages of the conditioner, which would require technical repairs that will be charged. Please inform us for any damage or irregular functioning of the air-conditioning system. It usually takes about a week or within 3 working days for the repair.

**Shuttle bus:** Shuttle bus is a transfer service to the beach for the tourists who are spending their summer holiday far away from the sea. It is available every half an hour.
